Who We Are

Monday Musical Club was founded in 1904 and has supported music in Portland ever since.

The awards program provides thousands of dollars annually to music contestants. Students participate in auditions each spring and winners are selected by professional adjudicators. Scholarships are supported by fundraising, bequests and contributions from our members.

Membership is open to anyone who loves music. Some members are professional musicians and educators, others just take pleasure in listening and supporting music in the community.

The club supports two-piano teams that present an annual concert and other departments form as interests develop.

As the funding for music in schools has decreased, our mission has become more vital.

Come be our guest at a musical tea! Check our website for the calendar of events.
