

From our Vice President – Terri Johnstone

Hello Everyone,

Bev is making progress and has actually begun to play a keyboard piano! The Two pianos concert is on track for three pairs of pianists with great musical choices. Thanks everyone for your help!

Very sincerely,

The Portland Opera provided a great Zoom session on March 7th and introduced their new Artistic Director, Priti Gandhi, who provided a fascinating, behind-the-scenes look at what is going on in the Portland Opera world. They then donated tickets to our raffle and invited everyone to attend a special event that was held on March 17th. They are truly a fine organization. This may have been our last formal Zoom session as our remaining events this year, the Two Piano and the Scholarship Winner’s Performances, will both be held live and in-person. But I must say that our

regular Zoom attendees have really enjoyed the intimacy of our sessions and I think it has often brought us closer to the people who lead the organizations we support. We have truly made the most of it during the pandemic and have been very successful. **Thanks to everyone for their support!**

We now have 31 students confirmed to participate in our event this year to include ten pianists, six voice, three instrumentalists and a combination of 12 string instrumentalists competing. All the kids are very interesting and talented and if you follow our MMC Facebook page, you will get to see their photos and biographies when I start posting them prior to the competition. Please call or contact me at gpmailtime@yahoo.com if you are interested in coming out to Vancouver to watch the auditions at Clark Community College. Visitors are permitted, but there are special instructions that I need

to provide, so let me know. Thanks to everyone who has donated their time and money to support the organization, especially to our big donors who have funded our awards program, and those who have participated in our upcoming raffle. We couldn’t do it without you!!!
